

## Free Sewing Class! Create a machine sewn

Join us in our fully equipped dressmaking studio for a 1 day course and learn how to create your own pattern for a fabric gift bag. With the guidance of our professional tutor, you will then go on to transfer the pattern to fabric and sew your own unique and eco friendly fabric gift bag, all whilst learning some basic maths to build up your confidence.

If you are aged 19 and over and do not have Maths at level 2 or equivalent, you can access free numeracy courses through Multiply to build your confidence with numbers and learn a new skill in our professional studios. </b>

All resources are included and that includes the fabric
