

Jewellery Design and Making - mixed abil

Whether you would like to learn new creative skills or to look into the possibility of a new art-based career, MAE Community Learning courses can provide you with a stepping stone to progress.

This course is designed for those who would like to learn the first basic skills of jewellery making and for those who would like to continue building on existing skills to develop more techniques.

Whether you would like to learn new creative skills or to look into the possibility of a new art-based career, MAE Community Learning courses can provide you with a stepping stone to progress.

This course is designed for those who would like to learn the first basic skills of jewellery making and for those who would like to continue building on existing skills to develop more techniques.

Learners will be working at on a set project and guided through it step by step, you will have the opportunity to personalise your work. Advanced learners will be given the opportunity to elevate their skills.

You will have the opportunity to personalise your first piece and create unique and beautiful pieces of jewellery for yourself or for family and friends.

Learners will all recognize and follow the correct Health & safety procedures in the studio.

Please do not buy tools and equipment until you know that the course will run.

Venue

Rochester Adult Education Centre
Rochester Community Hub
Eastgate
ME1 1EW

What could I go on to do after this course?

Your tutor can talk to you about other subject related course available: Your follow on course is Q00055A or Q00056A

Medway Adult Education works with many partners locally such as MidKent college and the University of Kent; information about their courses can be found in our studios, café and on Moodle. Medway has an exciting and wide - range of events, exhibitions and activities to inspire and help you make further progress - please see the community noticeboards in the Rochester centre and again on Moodle. Your tutor will be able to talk through with you individual progression options.

If you wish to explore your learning, work or career options, you can speak to a fully trained careers advisor on 0800 100 900. <https://nationalcareersservice.direct.gov.uk>

If you need further advice please telephone 01634 338400.

Attendance Policy

In order to get the most out of your course you will need to attend as many sessions as possible. We recommend at least 85%. If you do have a holiday booked during term time please let the tutor know in advance so that we can help you catch up on missed sessions and ensure that you still achieve the course outcomes. If you are unavoidably ill or unable to attend please contact 01634 338400 so that we can let your tutor know, and so they can send you any work you may have missed

How are digital skills used and enhanced on this course

Learners are encouraged to use the Medway Adult Education Moodle. Many learners use digital cameras to record their work or, for inspirational images that they may later use as a reference. From time to time the tutor may give learners example websites linked to current theme or activity to extend the knowledge or learning undertaken in class. Learners will be guided on internet safety.

Health and Safety
