This award is competence based and learners must successfully complete the awarding body requirements in order to achieve a full Level 2 qualification.

The evidence may come in a variety of assessment methods including:

- Observation
- Assignments
- Professional discussion
- Personal accounts
- Statements
- Witness testimonies
- Knowledge questions

Direct Observations will take place at school, in the classroom during your working hours, observed by your appointed Assessor.

Once your evidence meets the required City and Guilds outcomes and
