

Level 2 Certificate in Understanding Saf

Official data showed that over 7,500 people were referred to the Prevent programme 2015/16. The purpose of this qualification is to support anyone who is responsible for safeguarding people and for helping prevent radicalisation. It gives learners an understanding of recognising the signs of abuse, how to reduce the risk of radicalisation and the potential consequences of illegal online activity.

Achieve a nationally recognised Level 2 qualification.
Evidence your competency to employers.
Further your personal and professional development.
Know how to recognise signs of abuse or potential harm.
Learn at a time that suits you without the need to attend college.

If you wish to explore your learning, work or career options, you can speak to a fully trained careers advisor on 0800 100 900. <https://nationalcareersservice.direct.gov.uk>

If you need further advice please telephone 01634 338400.

Attendance Policy

This course will need to be completed by the end date, which is in 12 weeks.

How are digital skills used and enhanced?

IT/ Digital skills are fully embedded within the course as this is an online course.
The course is entirely delivered online. Learners will need to have access to a good internet connection and a computer. Learners will also need good IT skills. If learners are interested in developing their IT skills further, we have a number of Digital Skills courses available that may help.
The courseware is a pdf booklet that learners will read and then learners can go onto the website and answer questions to demonstrate their understanding. Learners may wish to print the booklet, but this is not necessary.

Health and Safety

This course may bring up issues of a sensitive nature. If you are worried about anything, please talk to your tutor or our Safeguarding Officer.

Learners are encouraged to work safely. Poor positioning of equipment can lead to Repetitive Strain Injury (RSI).
Discover more about safe ways to work with computer equipment here:
