

Sewing: Overlocker masterclass

Whether you would like to learn new creative skills or to investigate the possibility of a new textile-based career, MAE Community Learning courses can provide you with a stepping stone to progress.

For complete beginners or those wishing to feel a little more confident about using an overlocker (a machine that neatens edges of fabrics). Ideal for those curious about overlockers or those considering purchasing one, or who have one in a cupboard and are avoiding using it!

Join us for this relaxed class where you will learn how to use various functions of the overlocking machine. During the course we will look at threading and changing threads on an overlocker, adjusting tension, and various other functions of the machine.

Join us in our fabulous sewing studio for this friendly, relaxed class where we will explore the overlocker and learn some techniques along the way for a more professional finish and build confidence in its use and functions.
