

Supported Learning - Needlecrafts 2

This 10-week course is aimed at those with learning difficulties and disabilities that require a smaller and less challenging Supported Learning environment that will help to build engagement, confidence and social wellbeing.

Every course has a Learning Support Assistant, working with the tutor and a smaller number of learners to allow for support workers to fully engage and support their clients to access the activities.

Learners must have completed a Supported Learning assessment before enrolling.

Start Date: 06 January 2025
Start Time: 13:00
Lessons: 10
Weeks: 10
Hours: 20.00

Venue

Rochester Adult Education Centre
Rochester Community Hub
Eastgate
ME1 1EW

What will I learn on this course?

Courses will take place in our fully accessible classroom.

You will learn about the craft of hand stitching alongside a tutor set theme.

Learners will:

1. Be able to demonstrate at least 2 different types of decorative hand stitches.
2. Identify a colour scheme of threads and fabrics to use for the given theme.
3. Complete at least 1 hand stitched item from the theme.

Is this course suitable for me?

This course is suitable for adults with learning difficulties or disabilities.

Learners must be able to follow simple instructions and be ready to work as part of a group and individually. They must be able to cope in a classroom environment and a potentially busy centre. If learners have unpredictable behaviours or potentially aggressive or violent tendencies that can be triggered by the learning environment, then they may not be suitable for these courses.

An initial assessment will be needed for all learners to establish their best starting point and what support we can provide. Please call 01634 338400 and ask to book a Supported Learning pre-course meeting/ assessment.

Please note that it will be essential to have all relevant information from carers / support workers to be able to support learners. However, if we find that we are unable to support the learner safely we reserve the right to withdraw the learner.

Is there anything else I need to know about the course?

You will need to have had an initial assessment for 24/25 before you join this class to make sure that the class is suitable for you.

If you wish to have a carer or communication worker present in the classroom, then that will be fine, but we will need to know in advance so that we can make sure that there will be enough space for everyone in the classroom.

If you wear glasses, please remember to bring them with you

You will be expected to take part in helping to clean up after yourself as this is an important part of working independently as well as following health and safety practices.

You and your carer (if applicable) will need to be suitably dressed for the studio and wear closed toe shoes.

You will need to be able listen to your tutor and follow instructions about health and safety.

What could I go on to do after this course?

Your tutor can talk to you about other subject related courses available.

If you wish to explore your learning, work or career options, you can speak to a fully trained careers advisor on 0800 100 900. <https://nationalcareersservice.direct.gov.uk>

If you need further advice, please telephone 01634 338400.

Attendance Policy

In order to get the most out of your course you will need to attend as many sessions as possible. We recommend at least 85%. If you do have a holiday booked during term time please let the tutor know in advance so that we can help you catch up on missed sessions and ensure that you still achieve the course outcomes. If you are unavoidably ill or unable to attend please contact 01634 338400 so that we can let your tutor know.

Health and Safety

By participating in this class, you will need to listen to the tutor and learning support assistant and follow the rules of the classroom to make sure you and everyone else is safe.
