

Gardening: Create an Indoor Edible Garden

Join us for this relaxing and fun workshop where we will learn about indoor edible plants and create your own garden to take home and nurture. Whether you would like to learn new creative skills or to investigate the possibility of a new garden-based career, MAE Community Learning courses can provide you with a stepping stone to progress.

You will be welcomed into the studio by our professional gardening tutor, who will guide you step by step through the designing, planting, caring and harvesting of a selection of indoor edible plants. You will then create your own garden.

All materials are included in this great workshop, and we also have tools you can borrow but you may prefer to bring your own gardening gloves if you wish
