

Woodwork - Hand Woodworking 3

Join our woodworking studio's new hand woodworking heritage craft course to discover the fundamentals of basic hand tool carpentry, perfect for beginners and those looking to refresh their skills. Under the guidance of a skilled professional, you'll learn about hand tool selection, usage, and practical skills involving traditional hand tools and techniques. The course will also cover design, planning, marking out, transferring your ideas to wood, how to use and maintain the tools, as well as the completion of at least one project from concept to finish.

If you looking to turn your passion into a career? Do you want to learn or develop new skills? Book onto one of our courses from the Employability and transferable skills offer.

Whether you would like to learn new creative skills or to investigate the possibility of a new woodworking - based career, MAE Community Learning courses can provide you with a stepping stone to progress.

Start Date: 27 April 2026
