

## Pottery: Throwing For Beginners L2C

This is a Pottery Specialism course level 2C, upon completing this course, learners can progress onto our programme from the Rochester Institute of Create Arts (such as Throwing Intermediate to advanced) cannot redo this course at the same level or lower level. Learners can book onto any other Art specialism or Creative & Culture courses from 1A upwards.

This beginner-friendly course is designed for those completely new to throwing as well as those looking to refresh their skills, focusing on building confidence and understanding of fundamental techniques. Participants will start with cylinder shapes, learning centring, opening, and pulling techniques, and gradually progress to more complex forms while being encouraged to explore creativity through various throwing techniques, including trimming and turning. By the end of the course, you can expect to enhance your throwing skills and work on personal projects.

Start Date: 20 April 2027  
Start Time: 10:00  
Lessons: 10  
Weeks: 10  
Hours: 25.00

Throughout the course, learners will collaborate with the tutor to establish personalized and context-specific learning objectives that enhance their skills and knowledge, addressing relevant individual goals over time. Additionally, it is imperative for learners to consistently adhere to established health and safety protocols to ensure a safe learning environment.

If you are looking for a course to improve or maintain your mental health and wellbeing, why not book onto one of our courses from the Managing mental health and well-being offer?

### **IS THIS COURSE SUITABLE FOR ME?**

This is a Pottery Specialism course level 2C, upon completing this course, learners can progress onto our programme from the Rochester Institute of Create Arts (such as Throwing Intermediate to advanced) cannot redo this course at the same level or lower level. Learners can book onto any other Art specialism or Creative & Culture courses from 1A upwards.

### **IS THERE ANYTHING ELSE I NEED TO KNOW ABOUT THIS COURSE?**

Please be aware that whilst this course is practical in nature some sessions will include theory and professional related training such as H&S, risk assessments, public liability as well as course paperwork and target setting.

You will need to prepare the following tools and equipment before the start of the course. Please do not purchase until you are sure the course will run:

- An apron/protective clothing
- Sturdy footwear (no open toed shoes in the pottery)
- It is recommended that you do not wear anything you value highly. You may wish to bring household gloves to use when glazing.
- A pen / pencil - a sketchbook will be provided.

Learners with previous experience should bring in an example of their own work / or photo of work to help in the initial assessment process.

Your tutor will speak to you about tools in the first class and advise what you will need.

- A basic pottery tool kit (can be purchased online fairly cheaply)
- A steel kidney scraper (an old store card cut to shape can make an effective kidney scraper)
- A small sponge

Tools and equipment cannot be left in the classroom, please take all personal items home.

The nearest supplier for specialist tools is The Clay Cellar at Brenchley,

<https://www.claycellar.co.uk/tools>

(Please check website for opening times and delivery details.)

### **WILL THERE BE ADDITIONAL COSTS?**

An amount of clay is included within the course fees. Learners will weigh and record weight / price with the aid of the tutor before firing. Once the set amount has been reached, learners will need to weigh, record, pay and show proof of payment before items are fired.

The cost of clay includes:

Clay ordering, processing, and delivery.

Cost of glazes and finishing materials.

Cost of firing (electricity and upkeep of kilns)

Technician costs

As such, the cost per Kg. is greater than sold at wholesale price.

### **WHAT COULD I GO ON TO DO AFTER THIS COURSE?**
