

Drawing And Painting 2 RICA

Drawing & Painting 2 Rochester Institute of Creative Arts (RICA)

This creative provision is being marketed as RICA (Rochester Institute of Creative Arts).

RICA is the name of the new creative offer from Medway Adult Education. This taught drawing and painting course is designed for learners who have completed a Level 2C course in the drawing and painting and wish to further develop their skills, confidence, and personal style whilst still learning within a structured art environment. This drawing and painting class is taught by a professional tutor; the course provides tuition and guidance alongside opportunities for creative exploration and project-based learning in a supportive environment. Your tutor will discuss personal goals and project ideas with you in your first session.

Please note that this is not a drop-in course or an informal club; regular attendance and commitment to the course are expected to support progression. Please do not buy any resources until you know your course will run.
