

Art: Life Drawing L2C

This is a level 2C course for those who have attended life drawing previously or who have drawing and painting experience.

The life figure drawing and painting course offers a comprehensive introduction to essential drawing techniques, emphasising the accurate representation of human anatomy, proportion, and likeness. Students will explore key concepts such as composition, negative and positive space, and the effective use of props, all of which contribute to capturing the unique character and personality of the model. This hands-on approach fosters both skill development and artistic expression.

Start Date:	23 September 2026
